Set like a jewel in a glorious, private setting, with views of Longs Peak & Continental Divide, this work of art is yours to call home or retreat. Shaped in an "S" curve to track the sun as it moves across the sky, this unique home was designed by Guatemalan architect Brasila Kuperus. Built Green & "off the grid" with passive solar & Rastra (concrete/styrofoam) construction.

Aspen ceilings, birch floors & metal roof crafted in wedge shapes to follow curves. Clerestory windows curve & glow down the rib of the home. Limestone graces the entry & stunning, massive masonry heater. Custom alder doors, red birch cabinets, Columbo Gold granite, Bosch appliances, river rock/tile baths, 360' well at 6 gpm, radiant floor heat. Ultimate privacy on 25 acres, BLM land on 3 sides! 3074 sqft, 3 bedroom, 3 studios, 900 sqft 3-car garage!
